

Title 1 Information

What is Title 1?

Title 1 is the largest federally funded educational program. The program provides supplemental funds to schools and districts to provide supplemental resources and supports to improve student achievement and meet school educational goals.

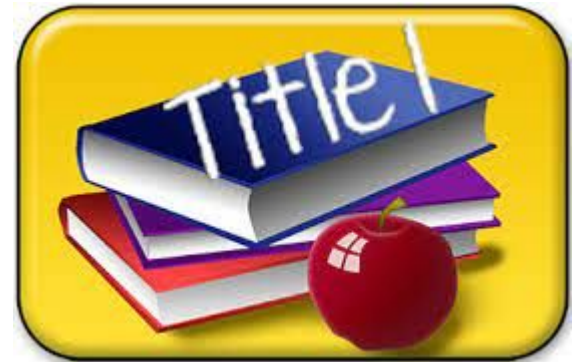

Why does Corona High School receive Title 1 funds?

Title I, Part A federal funds help to meet the educational needs of students in California schools. Funds are used to support effective, evidence-based educational strategies that close the achievement gap and enable the students to meet the state's challenging academic standards.

Who determines how Title 1 funds are used?

Each school determines how to use Title 1 funds through feedback from students, parents and staff. They can be used to improve curriculum and program, instructional activities, counseling, parental involvement, increase staff, etc. The funding has one goal and that is to assist schools in improving student achievement.

What is the plan for spending Title 1 funds?

The plan for spending Title I funds and all other categorical funding sources is determined by the Single Plan For Student Achievement (SPSA). The SPSA is developed through feedback from students, parents and staff, based on data, through various stakeholder groups such as the School Site Council, and the English Learner Advisory Council.

Who oversees the Single Plan for Student Achievement?

In addition to assisting in the development of the plan, the School Site Council monitors the implementation of the plan as well as all funding sources associated with the plan. The school site council is comprised of the Principal, students, parents, teachers, and other staff members as elected by peers.
